

The programme of study for students at Marling School Sixth Form is an academic one, based on three or four subjects started in September of Year 12 and completed to A Level in the summer of Year 13. In addition to A Level study, students will be required to select a 'breadth' option which is followed in Year 12.

A minimum attendance percentage of 90% must be attained throughout each year and all work must be completed punctually to the required standard. Failure to maintain the standard of either work submission or attendance may result in withdrawal from subject examinations or an amended academic programme being offered in Year 13.

Continuation from Year 12-13:

Continuation on the same study programme from Year 12 into Year 13 is not automatic. To continue with the same study programme into Yr13, a student should:

- Achieve their target grades in each subject in their final tracking of Year 12, according to the performance indicator adopted by the school for that academic year.
- Be positioned, in the opinion of the 6th Form Leadership Team, to be able to access and progress through the Yr13 syllabus in each subject.

Where these conditions are not satisfied a student's program of study will be subject to review by the Marling School 6th Form Leadership Panel before continuing and an alternative programme may be offered. Extenuating circumstances will be taken into account and the 6th Form Leadership Panel will consider each case individually. If an alternative programme is offered, the offer will be for completion by the end of Year 13 and any further study will be subject to discussion.

Decisions with regards to progression into Year 13 will be communicated to the student and parents/carers before the end of the summer term.

Occasionally, it may be possible to repeat Yr12. Where a repeat of Year 12 is offered, the school might only agree to pay for examination entries subject to academic performance and attendance targets.
