July 2020

Dear Student

Deposit for Marling School Sixth Form Resources

All year 12 students entering Marling School Sixth Form are required to provide a £40 deposit to cover the loss or damage of any resources provided by the school including text books where issued. You will be required to provide a £40 deposit (make cheques payable to Cotswold Beacon Academy Trust) on Wednesday 2nd September. This money will be retained for two years to ensure that you return all resources in a useable condition belonging to Marling School.

If you are unable to pay the deposit of £40, financial assistance may be available through a bursary. A 16 – 19 Bursary grant can be paid to you if your family income is affected by some forms of taxation relief or income support. A copy of the bursary form has been enclosed in your Induction information pack. If you require further information, please contact Mrs Vinton, Sixth Form Student Support, or Marling School Finance Office as soon as possible.

Yours sincerely

Mr SJ Farr
Head of Sixth Form

Marling Sixth Form Co-educational from 2019

Marling School is part of Cotswold Beacon Academy Trust, registered in England and Wales no. 7692339, registered office Cainscross Road, Stroud, GL5 4HE
